WHY PARTNER WITH WCEF

Join us in supporting eight Walnut Creek public schools and 5,000 students at the beautiful Rossmoor Golf Course.

Few things in life make an impact as powerful as a great teacher and a great education. In California, our schools rank as low as a dismal **41st in per student funding**. That's where the Walnut Creek Education Foundation (WCEF TK-12) steps in.

Each year our public schools rely on WCEF funding to provide invaluable programs like weekly elementary art, music, science lab; additional elective classes for grades 6-12, the Las Lomas Wellness Center, a TK-8 librarian, and much more. Your support makes these and other programs and teacher salaries possible.

Today, 19.8% of WCESD students qualify as unduplicated Title 1 for businesses seeking ways to support Title 1 students.

Invest with WCEF and in the next generation to ensure every Walnut Creek student receives a comprehensive education.

Other sponsor opportunities are available, and we will work with your business to create a partnership that makes sense for you.

WCEF is a 501(3)(c) nonprofit, and is the only way to invest equitably in eight public schools in Walnut Creek.

Visit wcefk12.org for more information.

We simply cannot offer the depth of education we do here without the support of WCEF volunteers and donors. Their generosity of time and funding makes the difference for all students.

—Marie Morgan, Walnut Creek School District Superintendent
