

# READ-A-THON

SEPTEMBER 19-30

## Personal Goals & Reading Log

Student Name: \_\_\_\_\_ Room: \_\_\_\_\_

| Date | Minutes Read at Home | Minutes Read at School | Total Minutes Read Today | Recorded in Pledgestar |
|------|----------------------|------------------------|--------------------------|------------------------|
| 9/19 |                      |                        |                          |                        |
| 9/20 |                      |                        |                          |                        |
| 9/21 |                      |                        |                          |                        |
| 9/22 |                      |                        |                          |                        |
| 9/23 |                      |                        |                          |                        |
| 9/24 |                      |                        |                          |                        |
| 9/25 |                      |                        |                          |                        |
| 9/26 |                      |                        |                          |                        |
| 9/27 |                      |                        |                          |                        |
| 9/28 |                      |                        |                          |                        |
| 9/29 |                      |                        |                          |                        |
| 9/30 |                      |                        |                          |                        |

### My Goals: Set and meet your goals to earn a pop keychain!

- I hope to read \_\_\_\_\_ minutes during Read-a-thon. This means I need to read \_\_\_\_\_ minutes a day.
- I hope to get \_\_\_\_\_ sponsors and raise \$ \_\_\_\_\_!
